Why You Should Enroll in the State Direct Deposit Program!

At the State of Maryland we value our vendor relationships. To better serve our vendor community, we've implemented an ACH direct deposit program to streamline our payment process.

Here are the top three reasons why you should enroll your business in the ACH program:

1. **Get Paid Faster:** Direct deposit enables faster payment since the process is electronic and does not rely on printing and mailing checks.
2. **Save Time:** Direct deposit places funds directly into your account, so you don't have to go to the bank to deposit checks.
3. **Eliminate Hassle:** Direct deposit eliminates the problem of lost checks which can cause delays in your payments.

If you wish to enroll in the direct deposit program simple download a form X-10 here, fill it out, and return it to Comptroller's Office General Accounting Division (GA
processing.
Note: Instructions are included on the form.
