Re: Women Business Enterprise (WBE) Annual Review Confirmation
Oregon Certification No.: 6325

ROHILA:

Congratulations! Your business continues to meet the state eligibility requirements criteria as established in the Oregon Revised Statutes (ORS 200.005-.075) and the Oregon Administrative Rules (OAR 123-200-1000 - 2300) and remains a COBID Certified firm in Oregon subject to all federal and state laws applicable to the transaction of business.

Continued certification is contingent upon annual reporting of personal and business income with a more thorough review of ongoing eligibility every third year. COBID will notify you in advance of your annual obligation to report.

You are required to notify COBID within 30 days of any if, at any time, there is a material change in your firm, including changes in ownership, control, operational management, address, or contact information. You must notify this office in writing within 30 days of the change. Submit a Change Request through our online certification management system (<https://oregon4biz.diversitysoftware.com>), via U.S. Mail, or by email to cobid.web@oregon.gov. Notification must include any supporting documentation. Failure to inform COBID of changes or failure to respond to requests for annual reporting information may result in decertification.

Your Company remains in the Directory of Certified Firms and publicly available at www.ORcobid.com. We recommend that you regularly view your firm's information in the Directory to confirm your contact information is current and that the description and NAICS/NIGP codes listed accurately describe your services and/or products. Your inclusion in our Directory is key to vendors and agencies identifying and confirming your certification in Oregon. As long as your firm remains in the Directory, you are certified. You will receive future notification regarding yearly reporting requirements. Your firm may continue to compete for and perform work on all USDOT federally funded projects throughout Oregon, receiving DBE credit in the following areas:

NAICS 541511: CUSTOM COMPUTER PROGRAMMING SERVICES

NAICS 541512: COMPUTER SYSTEMS DESIGN SERVICES

NAICS 541519: OTHER COMPUTER RELATED SERVICES

NIGP 92039: PROCESSING SYSTEM SERVICES, DATA (NOT OTHERWISE CLASSIFIED)

NIGP 92040: PROGRAMMING SERVICES, COMPUTER, INCLUDING MOBILE DEVICE APPLICATIONS

If you have questions regarding your certification and the codes assigned; or if you do not have access to the internet, please contact our office and I can assist you.

Sincerely,

Jeremy Johnson,

Certification Specialist I
